

Google Wonder Wheel

- Enter a search topic in the Search Window. Click Enter or Search.

- Click on the Wonder Wheel link on the left side of the screen.

- The Wonder Wheel feature divides the topic into subtopics and places them in a graphic organizer. Students click on one of the subtopics to list related sites.

- Sites for the subtopic will be listed on the right side of the screen. Another wheel will open with subtopics for that topic.

More categories for subtopic.

- Students continuing clicking on the wheel to narrow the topic and access resources.
